

NELLINGEN KASERNE

1968-1969

NCO CLUB

MOTOR POOL AREA

This was a long road which led to the NCO club, theater, post dispensary and probably some other things to the far left and to the guard gate to the far right. At the guard gate you caught a cab to Nellingen.

Guard House

As I recall, it was about 5 blocks to the guard house from my company area, and probably about the same to the NCO club, so **THIS IS NOT TO SCALE**
